"TRAIN THE TRAINER" WORKSHOP

OUR RESPONSIBILITY FOR SAFETY - The Alcohol and Drug Policy that Works

COAA Canadian Model A & D Policy – 2005 Edition

"Train The Trainer" Program for the Supervisor's Workshop?…

CLR-A has developed a full day supervisor's workshop designed to help people in supervisory roles understand all aspects of the application of the Construction Owners Association of Alberta Alcohol and Drug Policy. A number of contractors have expressed an interest in having some of their safety or other supervisory people trained to deliver the supervisor's workshop. To that end, a full day "Train the Trainer" has been developed to achieve the following learning:

- Legal underpinnings of the 2005 edition of the COAA Alcohol & Drug Policy
- A & D testing issues and the impact of various drugs on work performance.
- Objectives of the Supervisor's Workshop and delivery issues.

Who Should Attend?…

This "Train The Trainer" session will be of interest to those people who will hold responsibility within your organization for delivery of the Supervisor's Workshop to supervisors and other people who may be involved in the application of the 2005 edition of the COAA Alcohol & Drug Policy. Participants in the "Train the Trainer" should be capable of effective delivery of training in a workshop environment. **The half day Supervisor's Workshop is a prerequisite to taking the Train The Trainer Workshop.**
